I have read your book *Painting Symphony*. My comments are appended below:

*I enjoyed reading Mr. K. P. Shashidharan's epic volume of poetry WHISPERING MIND containing 3 books of poetry: Spectrum of Life, Rainbow of Love & Towards Awareness, Enlightenment and Bliss in 2010. The poetic journey along the literary landscape from WHISPERING MIND (Eternal Love Story of Yin & Yang) (Fable Poems on Life, Love and Joy of Living) to PAINTING SYMPHONY (Exotic Fiction in Verses) is phenomenal. While Whispering Mind verses on life, love and bliss, using Yin-Yang gender equity metaphor that reflects the perfect circle of life. Painting Symphony synergises beauty of virgin thoughts sky-dancing in the mind-cosmos of the poet. The fusion of colours, music, dance, lyrics, songs, rhyme, rhythm and melody in Painting Symphony is magnificent and the exotic fiction in verses will surely elevate modern English poetry to new realm of glory. The collection despite its romanticism, lyricism and use of allusions takes its readers to a plane of reality where the good and the bad, the bold and the beautiful the white and the black co-exist.*

*The volume will be a valuable addition to the gamut of literature of Indians writing in English.*
